SUMMARY

Passionate Front-End Developer specializing in React.js, Next.js, and modern web technologies. Seeking to leverage my expertise in building scalable, high-performance web applications with a focus on user experience, responsiveness, and state management.

EXPERIENCE

*Freelance, **Front-End Developer***

Jan 2023 - Present

Developed dynamic, responsive web applications using React.js, Next.js, and UI frameworks.
Implemented state management solutions using Redux, Context API, and Zustand.
Integrated RESTful APIs and GraphQL for seamless data flow.
Optimized front-end performance with lazy loading, code splitting, and caching strategies.

*Freelance, **Graphic Designer***

May 2021 - Present

Designed modern, visually appealing graphics for websites, social media, and branding.
Created UI/UX mockups and wireframes using Figma, Adobe XD, and Photoshop.
Developed custom illustrations, icons, and social media visuals to enhance brand identity
